DETAILED ACTION

This is in response to amendment filed 01/16/07.

Allowable Subject Matter

Claims 1-25 are allowed in light of the applicant arguments and in light of the prior art made of record.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest: a method, a system and a computer program product stored on a computer-usable medium for deciding whether a specific file on a target computer should be backed up to a central storage system, said method comprising the steps of: if said specific hashing key is not present in said local database, backing up said specific file by performing the steps of: creating a backup file which is a duplicate of said specific file, renaming said backup file to said specific hashing key; storing said renamed backup file in said central storage system; and storing in said local database a new record including said specific hashing key and a specific path in said target computer where said specific file should be restored as recited in claims 1, 10, 18.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest: : A method and a computer program product stored on a computer-usable medium for restoring a specific file to a target computer said method comprising the steps of: using said specific hashing key to retrieve a backup file from a central storage server, said backup file being a duplicate of said specific file, wherein a name under which said backup file has been stored in said central storage server depends on said hashing key as recited in claims 7 and 24.
